REFLECTION: THANK YOU, MOTHER

No matter where we go, we remember the things our mother taught us – those precious lessons of life and love; the example they lived before us; the prayers that pointed us in the right direction. As we look toward the future, we can face with confidence whatever happens because mothers help give us a foundation of faith. No matter where, no matter when, mothers love us, again and again. ~ Rebecca Barlow Jordan

Honour thy mother, as the LORD thy God hath commanded thee. – Deuteronomy 5:16

FOR YOU MUM ON MOTHER'S DAY

I want to tell you, Mum
That you're special to the Lord,
And you are valued in His eyes,
For no one loves you more

And Mum, I want you to know
How blessed you really are,
For I know that it was never easy,
Those past years were quite hard

But even through the years gone by,
I believe that God was there,
Reaching out with loving arms,
Though we were unaware

And He is still beside you
Longing to be a part
Of all the things that interest you,
For you're special in His heart

For even in the daily struggles
That seems to be part of life,
The Lord longs to be involved
And fill the void inside

So Mum, on this Mother's day,
I just want you to know
That you were always appreciated
And that Jesus loves you so. © By
